April 14, 1959.

Dear Dr. Lederberg:

Walt Kelly says it's a fair exchange, so here's the original Pogo strip with his best wishes. Walt enjoyed your letter; forgive him for not writing personally, but deadlines have him tied to his drawing board.

Your interest in Pogo is deeply appreciated, and it's nice to know a scientist without designs on the moon.

Yours,

*Nate Aleskovsky*
